

5.45.080 Change of location

5.45.080 – Change of location

If, after issuance and delivery of a license under the provisions of this chapter, any change be made in the place of business designated therein, no business shall be carried on or engaged in at such new location under such license, until notice of such change shall have been given, in writing, by the licensee to the City Clerk.

(1988-M-27 : § 1)
